AMTI is a sanctuary for patients suffering from terminal illnesses particularly Cancer. It is a state-of-the-art 25 bed Hospice where all facilities are provided free of cost. It is run by a Board of professionals and experienced social workers who meet regularly. Amti's Mission is to be the benchmark service provider in hospice care facility for patients from the underprivileged segments of society. Amti is run entirely on donations/grants from philanthropists, corporate citizens and individuals. It strives to provide a true haven to those terminal patients who have no one to extend to them the prolonged and dedicated care required to nurse them; and enables them to live the highest quality of life possible until the end, pain-free in the comfort of a home-like environment.
