

A sanctuary for the under privileged

AMTI is a customised hospice care medical facility operated by dedicated volunteers and medical staff for terminal patients in stages, 3 and 4 of cancer. A team of professionals work together to manage symptoms so that a patient's last days may be spent with dignity and quality, surrounded by their loved ones. Hospice care at Amti focuses on the quality of life as these patients need long term palliative care and their families are unable to provide the same. AMTI can accommodate 25 patients.

Facilities:

- Free accommodation
- Free medicines
- Free meals specially prepared as per each patient's dietary requirements.

Amti has a Special care unit, an auto-clave for sterilizing dressing kits, patient's gowns, and miscellaneous laundry, blood-analyser unit and water-filtering plant. The hospice waste is disposed via the KMC hospital-waste disposal system.

Recognition and Patronage

As a result of Amti's quality of service it has been registered in the directory of International Association for Hospice and Palliative Care (IAHPC). Since its inception Amti has received the patronage of the Consulate General of the Republic of France - Karachi, and generous support from the business community, philanthropists, and private individuals.

The personalized care provided is fully dependent upon donations. Amti seeks your patronage and help to make care sustainable for patients.
